FREE TRAINING FOR EARLY CHILDHOOD PROFESSIONALS!

Professional Development Training

Thursday, April 13, 6 - 8:30 p.m.

County of Summit DD Board, Administration Building

89 E. Howe Road, Tallmadge

Sensory Experiences

In this professional development training, participants will take a closer look at what sensory processing disorder is, both signs and symptoms and how it may be identified and treated. Participants will then have the opportunity to move through a series of tasks to experience firsthand what having a sensitivity to sensory input may feel like. Activities include those that children are asked to participate in on a daily basis.

Trainers: Erin Pemberton, County of Summit DD Board, and Brooks Collins-Gaines, Child Guidance & Family Solutions

Professional Development Training

Thursday, April 20, 6 - 8:30 p.m.

Child Care Connection, a program of Info Line, Inc.

703 S. Main Street, Suite 211, Akron

Brain Building Moments are Everywhere

Participants will gain a basic understanding of how brain development happens in children ages birth to five. Behavioral research will be presented to illustrate how the quality of everyday experiences impacts brain development. Participants will explore strategies to engage families in supporting their child's brain development through quality experiences and a research-based tool called Vroom.
